SHIPPING: July 15 until September 30. Please indicate your desired shipping dates.

SHIPPING CHARGES: Please send \$8.00 for shipping east of the Mississippi; \$10 for west of the Mississippi. Orders are sent by Priority Mail. Please understand that shipping charges include the cost of materials, time and travel, as well as postage.

GUARANTEE: Our rhizomes are guaranteed to be true to name, in good condition and free of disease. Please let us know immediately if you are dissatisfied in any way. Plants will be replaced, if available, or full purchase cost credit will be given for substitution or later order.

SUBSTITUTIONS: We will not substitute without consulting you. Since we are not a large-volume dealer and our stock is limited, we are able to give individual attention to each order through e-mail correspondence, thus avoiding the chance of over-selling the supply.

PREVIOUS INTRODUCTIONS: Very little stock of previous introductions is grown here, because of space limitations. Some irises introduced before 2009 are available at Winterberry Gardens (Vspoon@aol.com). Nonetheless, if you see something that interests you on Griffin's Den website (<http://www.pilmore.com/griffinsden/default.html>), please inquire.

PAYMENT : Checks or money orders must be received to reserve plants and before orders are sent. Orders will be filled in the order in which payment is received.

PLACE ORDER: Place your order by e-mailing jgcrump@cox.net.
